Not On My Watch "Her Season of Transformation" Debutante Gala

Ladies and gentlemen,

Tonight, as we gather here at the Season of Transformation Debutante Gala, I am filled with immense gratitude and excitement. I stand before you not only as a debutante but also as a beneficiary of incredible generosity.

I want to take this moment to express my deepest thanks to Mr. Al Eskanazy, whose sponsorship has made this evening possible for me. Without his support, I wouldn't have had the opportunity to be here, adorned in this stunning gown, and partake in this transformative experience.

When I was first approached about participating in this debutante, I never imagined it could become a reality for me. Financial constraints weighed heavily on my mind, and I hesitated to accept. But thanks to the understanding and compassion of LadyPam, and the generosity of Mr. Eskanazy, here I stand today, living a dream I never thought possible.

Mr. Eskanazy, your kindness has touched my heart in ways I can't fully express. Your support has not only given me this moment but has also ignited within me a desire to pay it forward, to someday help others as you have helped me.

So, as we celebrate tonight, let us also celebrate the spirit of generosity and compassion that has made this evening possible. And to Mr. Eskanazy, from the bottom of my heart, thank you. Thank you for believing in me and for making this extraordinary moment a reality.

With deepest gratitude,

Carissa
