

Certificate of Appreciation

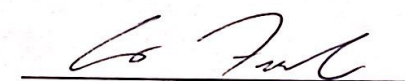

The Los Angeles Police Department
Hollywood Division
presents this certificate of appreciation to

Community Police Relations Foundation

The Los Angeles Police Department would like to thank your Foundation for its recent generosity to our Hollywood community. Your donation of grocery gift cards greatly assisted our Officers in connecting with some of our most underprivileged community members. Allowing LAPD Officers to be the face of your charity enhances our ability to form relationships with the community, and we are truly grateful for the opportunity your Foundation has provided.
