CPR Foundation

Grace Wolpert

8400 NW 123 Way

Parkland FL 33076

Dear Grace Wolpert,

Jackson Memorial Hospital is one of the largest hospitals in the Southeastern United States with a health care legacy that has served Miami-Dade County for over a century. On behalf of Jackson Health System, thank you for the donation of food for our patients and their families in the Jackson Pediatric Center.

We appreciate community groups and individuals who brighten our patient's hospital stay throughout the year. We are privileged that you selected Jackson Pediatric Center to demonstrate your selfless commitment, dedication, and generous spirit. Your thoughtfulness provides smiles for a moment; and memories for a lifetime.

Sincerely,

Volunteer Services Department

Jackson Health System
